NEW YORK STATE SCIENCE OLYMPIAD POLICY ON VANDALISM

Schools participating in the Townsend Harris High School Build-A-Thon Invitational must submit a copy of the Vandalism Policy signed by both the coach and principal of the school. The signed statement is to be submitted along with the registration form and payment.

If a team member or members or persons associated with a team commit(s) an act of vandalism, the team will be disqualified from the competition and will receive no points. No member of that team will be awarded a medal in any event. An individual who commits an act of vandalism may be barred from future competitions.

Each sponsoring school must agree to pay the cost of repairing the damage from any act of vandalism. A school must pay restitution before it can register a team for the Science Olympiad in a subsequent year.

Vandalism means a deliberate action that results in damage to property. This includes, but is not limited to graffiti, damage to a facility property and damage to the personal property of competitors, judges, and spectators.

I have read and understand the New York State Science Olympiad policy on acceptable behavior including the prohibition of vandalism and discourtesy, and I have discussed this with the team members, and will accept the consequences of violation of the policy as assessed by the New York State Science Olympiad officials.
